Mukuzani Red Dry Supreme Saperavi

This Tbilvino dry red wine made from Saperavi grape harvested in Mukuzani micro-zone is a top-rated Georgian wine. 2007 was the best vintage for Mukuzani and this fresh and forward wine is smooth with pleasant aromas of wild berries and laurel. It is dark cherry color though fairly transparent at the same time. The wine is full bodied and goes well with cold boiled pork, and the assortment of the sausages.
